Newsletter

Summer Term: Week 7

Dear Parents and Carers,

We've had a wonderfully sunny and hot week here at nursery, and the children have been embracing the summer season with lots of enthusiasm and curiosity!

This week, our learning has focused on **summer and seasonal changes**. The children have enjoyed exploring what summer means—talking about sunshine, holidays, and nature. One of the highlights has been **watching our caterpillars grow and change**. The children are fascinated by their transformation and are eagerly awaiting the next stage in their life cycle!

Please note the new dates for our Sports Day events:

- **Pre-School Fun Sports Day:** Friday **27th June**
- **Babies and Toddlers Fun Sports Day:** Tuesday **1st July**

Thank you for your continued support. Please remember to send your child in with a sunhat and apply suncream before nursery on sunny days.

Kind Regards,

Hannah Firmstone

Early Years Lead & SENCo

Dear Parent/Carer,

We all wish for children to have a great start in life and for them to take part in fun, fulfilling experiences.

As their parent or carer, you do a brilliant job supporting your child to learn and grow during those early years which also helps them prepare for school.

Their development is important to us too and that's why we've created 5 by 5.

5 by 5 sets out a range of adventures to explore with your child before the age of five to help them be happy, healthy and active.

The adventures are grouped into five themes and are designed to support your child to develop and grow, find their voice, make friends, be curious and creative and build connections with the world around them.

We suspect that you have already tried some of the adventures with your child, but why not see if you can do them all.

Many are no or low cost and can be done in and around the home or at venues across Telford and Wrekin, including libraries, parks and community groups.

We'll be working closely too with early years providers, schools, community providers, local charities, Family Hubs, and health providers as we roll out the scheme.

For further information visit 5by5.telford.gov.uk where you can view the full list of adventures and track your child's progress with a downloadable 5 by 5 adventure card.

We hope you will enjoy taking part as a family!

Councillor Lee Carter
Leader, Telford & Wrekin Council

Councillor Shirley Reynolds
Cabinet Member for Children,
Young People, Education,
Employment and Skills

Help us plan for your child's future by joining our Children with Disabilities Register

- The Children with Disabilities Register is a confidential list of names and basic information about children with disabilities, special or additional needs.
- The Children Act 1989 requires all local authorities to establish a register of children with a disability in their area. This will then be used for statistical information and to assist service planning to meet the needs of children with disabilities and their families, such as plans for accessible homes, SEND school places, inclusive community-based activities, and inclusive council services, to name but a few.
- The information held on the register is confidential and stored on our secure database. Statistical data may be shared with partners to inform local planning. No personal, identifiable data will be shared without consent.

Do all children with disabilities have to be included?

No, inclusion on the list is optional and the details can be added and removed at a parent or carer's request.

Will it affect a child's entitlement to support?

No, support is based on the needs identified as part of an assessment.

A child is eligible to join the Children with Disabilities register if they...

- Have a disability, as defined by the Equality Act as 'a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.' This must be diagnosed by a medical professional.
- Live in Telford or are the responsibility of Telford & Wrekin Council
- Are under 18 years old

What are the benefits of joining the Children with Disabilities register?

The register helps Telford & Wrekin Council and partners understand more about the needs of children with disabilities across the borough. This helps services plan for the future and ensure residents needs are met.

If you have any questions regarding the Children with Disabilities register or require further information, please email shortbreaks@telford.gov.uk.

SUMMER WATER SAFETY

Important Information for Parents

With the warmer weather upon us, it's only natural that children—especially older ones—may be drawn to swim in rivers, lakes, or other open water to cool off and have fun. However, this can be extremely dangerous.

Telford & Wrekin Council's Health Protection Hub has asked us to share important guidance on summer water safety. Open water swimming poses serious risks, including:

Cold water shock

Strong currents

Hidden underwater hazards

Waterborne illnesses, such as Weil's disease

Tragically, 46% of drownings happen during the summer, and this figure rises to 75% for young people aged 13–17. Helping children understand the dangers of swimming in open water is one of the best ways we can keep them safe.

We encourage you to talk with your children about water safety. The Royal Life Saving Society and the Canal & River Trust offer excellent age-appropriate resources to support these conversations:

General Water Safety Advice (all ages): [RLSS Water Safety Information](#)

Early Years & Primary-aged Children: [Canal & River Trust Safety](#)

Tips

Let's work together to keep our children safe this summer.

SUN PROTECTION ADVICE

Children's skin is much more sensitive than adult skin, and damage caused by repeated exposure to sunlight could lead to skin cancer developing in later life.

The NHS recommend that children should:

Cover up with suitable clothing
(shoulders and neck covered)

Apply sunscreen to areas not protected by clothing, such as the face, ears, feet and backs of hands.

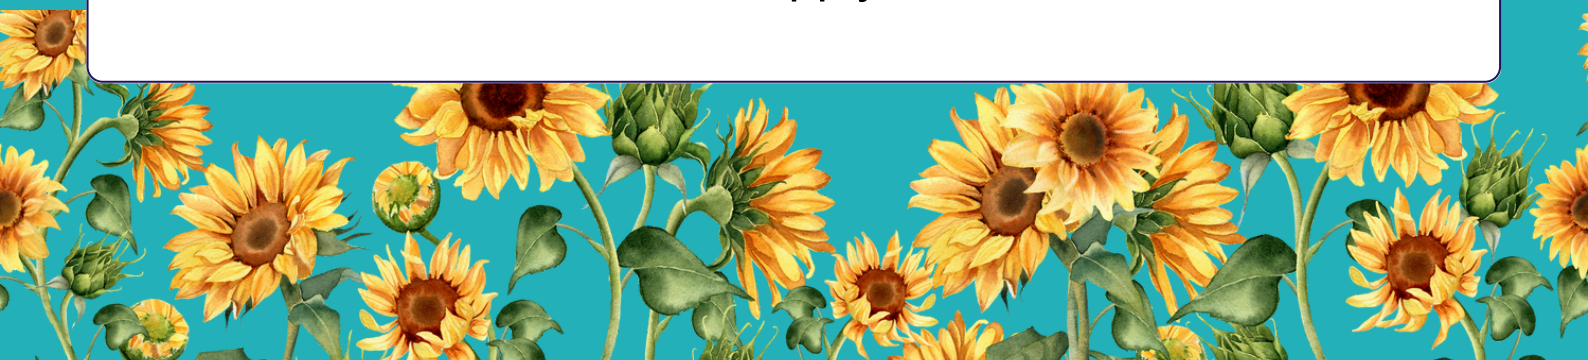

Wear **at least** SPF30 sunscreen (we recommend SPF 50)

Our policy at nursery is that children must wear suncream and wear a hat to keep them safe in the hot and sunny weather.

PLEASE PROVIDE A NAMED HAT FOR YOUR CHILD.

If your child attends a morning or afternoon session only, please apply suncream before they arrive.

If your child is at nursery all day please apply suncream before they arrive and provide a named bottle of suncream so that we can reapply after lunch.

Your Child's Learning

Don't forget to check out our website to find out about all the exciting things the children have been learning about this week:

Admin Office Opening Hours

The office operates from Monday to Thursday, with opening hours from 7:30 AM to 3:45 PM.

On Fridays, the office closes earlier, at 1:00 PM.

Should you need assistance or have any inquiries outside of these hours, you can call the out-of-hours phone on **07340 751171**.

This ensures that support or urgent matters can be attended to even when the office is closed.

FAMILY SUPPORT

Please see below for an exciting update
from the Telford Children's Autism Hub!

Telford Children's Autism Hub

We are thrilled to announce that we have received
extra funding, allowing the Hub to extend its services.

We are now able to provide valuable information, advice, and support
to families who are at the pre-diagnosis stage and are on the pathway
awaiting an Autism assessment.

Our Children's Autism Hub is open to all children and young people aged 0-18
years and their families, who have a diagnosis of Autism or are on the pre-
diagnosis pathway for Autism. To access our Children's Autism Hub you need
to be a resident of Telford and Wrekin.

For more information, please go to our website : [About Children's Autism Hub |
